**Our mission: Promoting health awareness, a sense of community, and a lifelong appreciation for fitness**

### Student & Teacher

#### Communication

Please help us to help your student become more responsible for their own learning by following the communication protocol below if questions arise (Grades, PE makeups, etc.)

**1st step:** *Teacher and student* face to face conversation

**2nd step:** *Student to teacher* email correspondence (if needed)

**3rd step—***Parent/Teacher* communication (if still unresolved)

### SKYWARD & YOUR GRADE

When checking your PE grade, do so from a desktop. Your phone app will not show your grade accurately as it does not take into account the grade adjustment for PE makeups. Grade adjustments will show up in the **Quarter grade** we are currently in. Therefore, semester grades will not reflect the true grade until after finals have been imputed

### PE MAKE UPS

- Students are permitted to make up any **excused** absences.
- **Make up days** will be offered during Flex-Time.
- Make ups **must be completed** by the end of each quarter.
- Three make ups may be made up off campus. See form on PE website for more info.
- Absences not made up will result in **5% off the total grade / absence** (under grade adjusted on skyward)
- **Runs**— any run over 1.25 must made up with that distance— regular PE makeup/ outside PE makeups will not count

### PE UNIFORMS

- PE uniforms are required daily.
- Students not dressed in PE uniform will be given a non suit for the day.
- Uniforms are available for purchase. \$8 cotton T-shirts or \$10 Performance Shirts
- Tennis/Athletic shoes are **required**.
- Sweats or shorts required

### GRADING

- Students in Physical Education classes are graded on a rubric system.
- A student's grade will be affected if he/she is not in attendance, does not change into workout clothes, and/or chooses not to participate in class.
- Other factors that will affect a student's grade are: attitude, leadership, tardies, not following class rules and incomplete assignments.
- Absences will be marked **"no count"** "and missing as to not penalize you twice. You are responsible for the makeup even though it says **"no count"**."

**INAPPROPRIATE SHOES and CELL PHONES**

**CELL PHONES**

- Cell phones are not allowed in the gym or weight room unless written on the board.

**MEDICAL NOTES**

- Medical notes from home are allowed for **two** days. If the injury or illness is **more than two** days a doctor's note is **required**. The "medical excusal form" can be found on our websites.
- Any days of participation missed will be required to be made up.

**ACADEMIC INTEGRITY**

- Students found not upholding academic integrity will be held accountable at teacher discretion.
- **1st offense:** 0 pts, can be made up at teacher discretion
- **Repeated offenses:** 0 pts and 5% off total grade

**SPARTAN 5K**

- Part of the final is completing a 5k to be held **TBD**
- If the student has to miss this date due to illness, absence etc, he/she will be expected to complete the make up day (held after finals).
- This is part of the final. Grades will be based upon student goal setting.

**SKYLINE ATHLETES**

- All student athletes are expected to dress out and fully participate on competition/game days.
- Students who opt out of participating because they have a competition/game that evening will not be allowed to make up

I have read and understand the **Physical Education** guidelines. Return by **September 9, 2019**
